A hand-drawn sketch turned into a cyberpunk romance narrative.

# INSPIRATIONS

I TOOK INSPIRATION FROM TWO OF MY OLD DRAWINGS  
I WANTED TO TURN IT INTO SOMETHING GOOD AND EVIL.

EXPLORE DUALITY  
(SOFT VS. SHARP)

# CONCEPT

INSTEAD OF PAPER SKETCHING, I DIRECTLY DEVELOPED THE CHARACTER DIGITALLY IN ILLUSTRATOR. USING THE OLD ARTWORKS AS THE BASE, I SHAPED HER AS A HYBRID, ANGEL AND DEMON. THE LINEWORK AND FLAT FORMS DEFINED HER DUAL IDENTITY WHILE LEAVING SPACE FOR LATER EFFECTS AND TEXT.

# TYPOGRAPHY INSPIRATION

THE CHOSEN FONT PAIRING SHIFTED THE DIRECTION COMPLETELY

Bemore Serif (with glitch)

→ cyberpunk, raw energy

*Embassy BT*

→ softness, intimacy

CYBER ANGLE  
*can you feel the static love*

Together, they inspired me to combine edgy cyberpunk visuals with a lingering romantic tone.

# AESTHETIC DEVELOPMENT

IN PHOTOSHOP, I LAYERED THE DESIGN WITH CYBERPUNK TEXTURES AND COLORS:

- NEON GRADIENTS OF PURPLE, PINK, AND TEAL
- FUTURISTIC GRIDS AND GLITCH OVERLAYS
- ANGEL WINGS VS DEMON WINGS → SYMBOLIC DUALITY

## ELECTRIC CONFESSION

*Nothing pure about static love.  
It buzzes, burns, and clings to  
everything it touches  
She knows it's artificial —  
but what isn't?*

*Neon veins hum where her pulse once lived.  
Plastic wings shimmer in a coded dawn.  
Even illusions can keep you warm —  
and sometimes that's all she needs.*

WIRED FOR SIN

## AFTERGLOW

*She drifts between signals and silence.  
The glow forgets her name, but the static never does.  
Every spark is a memory — a reminder that even ghosts can feel electric.*

BUILT FROM OLDER WORKS → AUTHENTIC PERSONAL INSPIRATION

GOOD VS EVIL SHOWN THROUGH DUAL SYMBOLS (ANGEL + DEMON)

FONT PAIRING DROVE THE CYBERPUNK-ROMANTIC MOOD

COMBINATION OF ILLUSTRATOR + PHOTOSHOP SHOWS STRONG PROCESS

NOT JUST VISUAL, TELLS A NARRATIVE OF LOVE, DUALITY, AND DIGITAL IDENTITY

## BONUS SUBMISSION

A BOLD, MINIMAL COMPOSITION THAT CAPTURES THE ELEGANCE AND FRAGILITY OF PERFORMANCE. THE BLACK BACKGROUND MAKES THE HEELS AND MARTINI GLASS POP, WHILE THE CHOSEN FONT PAIRING ELEVATES THE PHRASE THE LIFE OF A SHOWGIRL INTO SOMETHING BOTH GLAMOROUS AND SLIGHTLY DANGEROUS.
